BRADLEY APPOINTS JIM JOHNSTON TO VP OF MANUFACTURING

MENOMONEE FALLS, Wis., (December 3, 2019) — Bradley Corp., announces the appointment of **Jim Johnston** to **Vice President of Manufacturing** for the Menomonee Falls, Wis.-based manufacturer of plumbing fixtures, restroom accessories and emergency equipment.

Johnston is responsible for operations of all Bradley manufacturing/plant locations, including Menomonee Falls, Wis., Germantown, Wis., Marion, Ohio and Delton, Mich., directing supply chain, quality assurance and lean/continuous improvement. He will be leading the design, development and implementation of strategic initiatives to continuously enhance operations.

With more than 20 years of industrial manufacturing experience, Johnston has overseen domestic and international operations, and operational integrations. He has worked for companies such as Bucyrus Inc., Caterpillar Inc., and most recently L3Harris Technologies Inc.

For over 95 years, [Bradley](http://www.bradleycorp.com) has created the most complete and advanced commercial washrooms and comprehensive solutions that make industrial environments safe. Bradley is the industry's leading source for multi-function hand washing and drying fixtures, accessories, partitions, solid plastic lockers, as well as emergency safety fixtures and electric tankless heaters for industrial applications. Headquartered in Menomonee Falls, Wis., USA, Bradley serves commercial, institutional and industrial building markets worldwide. For more information visit <https://www.bradleycorp.com>.
