FOR IMMEDIATE RELEASE

Vendor Applications Now Open for 2021 Bazaar After Dark® Event

APPLETON, Wis. (March 15, 2021) – The Fox Cities Chamber of Commerce is now accepting vendor applications for its 2021 Bazaar After Dark® night market in Neenah on Wednesday, July 28 from 5-10 p.m. Applications will be accepted March 15-April 30. Nearly 100 vendors are able to showcase and/or sell their unique work at the event.

Interested vendors should review additional information at <https://foxcitieschamber.com/community/bazaar-after-dark-vendors/>. The cost to participate in Bazaar After Dark® is \$75. All vendors must apply. Past participation does not guarantee acceptance. Fees will be refunded at the sole discretion of the Fox Cities Chamber if the event is canceled due to COVID-19. A health and safety review will be conducted later this spring as the July 28 is currently considered tentative due to ongoing COVID-19 concerns.

Bazaar After Dark® is an inclusive, family-friendly street market event. Attendees can expect to enjoy food, live art, local business participation, live music, and a pet-welcoming atmosphere. The Fox Cities Chamber announced March 4 that it would proceed with planning for one Bazaar After Dark® event for 2021 after two markets were canceled in 2020 due to COVID-19. The location of one of the canceled markets was South Commercial Street in Neenah, which is the location for the July 28 market.

For more information about applying to be a vendor, contact Katie Gaffney at the Fox Cities Chamber at kgaffney@foxcitieschamber.com.
