AMERICAN AIRLINES RESUMES NONSTOP SERVICE TO MIAMI, FLORIDA

MILWAUKEE (April 19, 2021) – After successfully flying the route this past winter, American Airlines is resuming its Saturday nonstop service between Milwaukee Mitchell International Airport (MKE) and Miami International Airport (MIA) on June 5, 2021. The flights will be offered every Saturday from June 5 – August 14, 2021 and November 13, 2021 – March 22, 2022.

“Miami is a popular year-round vacation destination and is a great jumping off point for visiting the Florida Keys, so I’m pleased that American Airlines is resuming this service,” Airport Director Brian Dranzik said. “This is a perfect case of ‘use it or lose it’. Thanks to more Wisconsin travelers choosing MKE and booking the flight over the winter, American is responding to demand from Milwaukee by bringing this service back to MKE.”

Miami is American’s largest international gateway, and the route gives Wisconsin travelers access to dozens of exciting international markets throughout Latin America and the Caribbean.

The flights will be operated with WiFi-equipped Embraer E-175 aircraft, featuring 12 First, 20 Main Cabin Extra, and 44 Main Cabin seats. Tickets are available for purchase now on AA.com and the American Airlines app.

	Departure Time	Arrival Time
Milwaukee to Miami	7:00 AM	11:14 AM
Miami to Milwaukee	7:45 PM	10:16 PM

Milwaukee Mitchell International Airport (MKE) currently offers nonstop flights to 40+ destinations coast-to-coast, and more than 200 international destinations are available with just one connection. MKE is served by Air Canada, Alaska, American, Delta, Frontier, Southwest, Spirit, and United. The complete list of nonstop cities can be found at mitchellairport.com.

MKE is owned by Milwaukee County and operated by the Department of Transportation, Airport Division, under the policy direction of the Milwaukee County Executive and the County Board of Supervisors. The Airport is entirely funded by user fees; no property tax dollars are used for the Airport’s capital improvements or for its day-to-day operation.
