

**FOR IMMEDIATE RELEASE**  
**CITIZENS STATE BANK COMING SOON TO STANLEY, WI**

[STANLEY, WI – 7/16/21] Citizens State Bank (Citizens) is set to open a new full-service branch office at 118 N Broadway St in October 2021, including full drive-up services and an ATM. Citizens is a sound and secure financial institution which has obtained FDIC and Wisconsin DFI approval to proceed with the purchase of the building. Citizens is a locally owned, independent community bank servicing personal, business, and agricultural needs.

The branch office at 118 N Broadway St in Stanley will be renovated and branded to Citizens State Bank standards. Hannah Cowan, a Chippewa Falls native and Region Manager for the Eagle Point and Cornell markets, will be leading the branch. There will be three to four additional team members in the branch and others supporting the new market.

President/CEO, Tim Cruciani, says, “It is with a sense of joy that we share we are joining the Stanley community. We currently serve many customers from the market and having a physical presence allows us to enhance service and better care for these customers as well as other community members in Stanley and the surrounding communities”. He added, “Citizens State Bank is on a mission to grow. We care about our customers and work to find the best solution for them by learning about them, their situation, and their needs and dreams. Growth allows us to continue this mission. This mission of growth also allows us to create opportunity for current and new team members to join a company where employees are accomplishing things never thought possible through employee support and development!” Cruciani also indicated that this is the second new branch opening dating back to September 2019.
