As Nature's Way Expands – So Does Its Workforce

Hiring events on first Mondays Sept.- Dec.

FOR IMMEDIATE RELEASE

August 24, 2021

(Green Bay, Wis.) 2020 and 2021 have been years of tremendous growth for [Nature's Way](#), the leading international producer of high-quality supplements, vitamins, and herbal remedies. More than \$75 million has been invested during that time into people, processes and facilities; including a new state-of-the-art corporate headquarters and a second high-tech production facility to meet increased demand for the company's gummy products.

Now the Green Bay-based firm is looking to hire individuals who want to grow along with the company. "People want to feel they are a part of something that's making a difference, and that's the advantage we have," explained [Nicole Polarek, Executive Vice President and Chief Operating Officer](#). "What we make helps people lead healthier lives. Our employees enjoy being a part of that."

A 2021 Hiring Event will be held from 9 a.m. to 4 p.m. the first day of the month in September, October, November, and December at the new Nature's Way Gummy Plant Facility (3466 E. Mason St., Green Bay). Approximately 30 manufacturing positions are open including machine operators, maintenance, distribution center and warehouse openings. Other items of note:

- There is a \$1,000 new hire bonus
- Pay is at or above market, with future pay increases
- Day-one health benefits
- 10 annual paid holidays
- 2 weeks of Paid Time Off (PTO) available immediately; 3 weeks available in January 2022
- A clean, climate-controlled and stable work environment with no swing shifts
- Opportunities for career advancement and training
- On-site wellness offerings

On-site interviews will be available. Applicants must wear a mask (provided if someone does not have one). For more information visit: www.naturesway.com/Careers

"It's a tight labor market out there," added Polarek. "We know people are looking for jobs that not only pay well but as a company that treats them well and provides opportunities for advancement. Making a difference in the lives of our employees, our customers and community is important to us."
