MOORE CONSTRUCTION SERVICES CONTINUES TO GROW THEIR TEAM

Menomonee Falls, WI (December 15, 2021) -- **Moore Construction Services**, a design/build, construction management and general contracting firm serving Southeastern Wisconsin, has hired **7** new employees since this Spring. **Danelle Miller, Project Engineer; Austin Deschler, Assistant Project Engineer; Kathryn Sullivan, Project Manager; Jon Phillips, Project Superintendent; Jake Miller, Project Manager; Rachael O'Brien, Project Accountant; & Stephen Keller, Project Manager.**

"I am thankful for our company's growth and our team's ability to adapt and scale with this market. We've been fortunate to hire strong, talented team members who have hit the ground running upon joining the team. With a great mix of tenured and new faces, I am confident in our team's ability to meet the challenges ahead and have a strong impact going forward." said Mike Moore, President.

Moore Construction Services, founded in 2007, is a Construction Management firm specializing in Design/Build, Construction Management and General Contracting Services. Located in Menomonee Falls, WI the company serves the Southeastern Wisconsin market, with a focus on the commercial, institutional and multi-family sectors. Utilizing a true partnership approach, Moore Construction Services' seasoned staff are dedicated to the successful outcome of each and every project and living out its company mission of **Positively Impacting Lives**.
