WISCONSIN SUSTAINABLE BUSINESS COUNCIL ACCEPTING NOMINATIONS FOR 2022 SUSTAINABLE BUSINESS AWARDS

Milwaukee, Wisconsin – The [Wisconsin Sustainable Business Council](#) is now accepting nominations and applications for its Sustainable Business awards. The deadline for submissions is July 31, 2022.

Every day we are seeing a noticeable increase in awareness around global sustainability issues including climate and carbon, increased investor pressure on ESG disclosure, and diversity, equity, and inclusion. Join the thought leaders in advancing sustainability and being recognized for their efforts. Over the last several years awards have gained momentum. Join Sustainable Businesses Awards winners from organizations small to large, local to global including Johnson Controls, Kimberly Clark, Mercury Marine, Sustana Group, Nature's Path, Evolution Marketing and Just Coffee Coop.

Presented for the first time in 2014, the [Sustainable Business Awards](#) recognize businesses and individuals that are prioritizing sustainability and making strides towards impactful change in Wisconsin. Award winners demonstrate leadership, initiative, innovation and are making measurable impacts in sustainability.

Award categories for include: [Sustainable Product](#); [Innovative Service](#); [Executive Leader](#); and [Sustainability Champion](#). Applications should include a description of the sustainable product, service, or leader, and, if possible, quantification of direct and indirect benefits.

There is also a special leadership award that honors the founder and emeritus Executive Director. The [Thomas L. Eggert Leadership Forward Award](#) celebrates Tom's legacy and countless contributions to the Wisconsin Sustainable Business Community. This award recognizes individuals who have supported and contributed to growing and extending the network of sustainability resources available across Wisconsin.

ABOUT THE WISCONSIN SUSTAINABLE BUSINESS COUNCIL

The Wisconsin Sustainable Business Council's (WSBC) mission is to advance sustainable principles and practices forward through the power of business. As a member-driven organization we support companies and sustainability professionals to educate, measure and improve their sustainability outcomes and collaborate for shared success. For 15 years we have been bringing together business leaders and sustainability professionals to collaborate on solving sustainability challenges and address environmental, social and governance actions in business. We meet all businesses where they are on their journey and assist them towards greater profitability and sustainability integration. The council, an affiliate of the WMEP Manufacturing Solutions.
