**MBA DIRECTOR SUSAN KEEL FEATURED QUARTERLY MEMBER BY WOMEN IN THE CONSTRUCTION INDUSTRY WISCONSIN**

**WAUKESHA, Wis. (June 8, 2022)** – The Metropolitan Builders Association (MBA) is pleased to announce that MBA Board of Directors member Susan Keel is the featured quarterly member of the Women in the Construction Industry Wisconsin.

Keel is the Business Development Manager for Advanced Communication Specialists, Inc. where she assists people, building and remodeling, with the design and implementation of smart-home technology, A-V entertainment systems, security systems and healthy-home central vacuum systems. Currently, Susan is serving on the Board of Directors at the Metropolitan Builders Association of Greater Milwaukee. She is recognized in the top-five Spike (membership) recruiters through MBA and has been awarded the MBA's Hall of Fame Award, 2016, and Associate of the Year Award, 2010.

"When it comes to membership in the Metropolitan Builders Association of Greater Milwaukee, I'm very passionate," said Keel. "There are so many

stories I could share of people helping people, professionally and personally. The MBA demonstrates the epitome of members-helping-members, promoting and supporting one another with personal referrals, meaningful development, and lasting friendships with unending enthusiasm and care. I'm proud to be associated with this great industry. Just think how collectively, as members of one Association, we all share in the process...from moving dirt to create subdivisions to delivering keys at closing, we're all contributing to the experience of building or remodeling the most important place in the world, "Home." That's exciting!!"

"Susan Keel has served the Metropolitan Builders Association with great distinction for many years," said MBA Executive Director Kathy Raab. "Her recognition by the Women in the Construction Industry Wisconsin is the latest reason we are so happy to have her on the MBA team."
