PRESS RELEASE

Oshkosh Arena Parking Update BEGINS 01/01/2023

Oshkosh Arena Concerts and Events

Firstly, Oshkosh Arena wants to thank Verve, A Credit Union for sponsoring the first five years of free parking. They have been a great partner and we thank them for their continued support of the Oshkosh Arena. As of 01/01/2023 the Oshkosh Arena will be charging \$10 for parking at every event. Once you pay, you will be given a parking pass to place on your dashboard so it's visible from the outside.

General Parking will enter on 11th Street, on the eastern most entrance. The other two entries into the lot will be coned off. The eastern entrance will be used as a que can occur on 11th, and the guard house will be used for the parking pay attendant. The after-event exit will again use the east approach and the exit onto South Main Street.

South Main and 12th Street will be Exit Only.

South Main and South Park will remain similar to current. ADA will also use the entrance. The Security Guard staffed at this spot will collect the parking fee from ADA vehicles.

As of now, the lot will be self-parking as it currently is. We do not have staff to conduct a specific stall directed parking situation. As the lot fills, the parking supervisor will review the lot to see if stalls are available, similar to the current procedure.

Wisconsin Herd Games

What is stated above is true for all Wisconsin Herd Games.

Herd Staff and VIP passholders will enter as they currently do. The Wisconsin Herd will reach out to VIP Passholders with instructions, and how to receive their VIP Parking Pass.
