Elmbrook Education Foundation (EEF) Hosts 10th Annual EEF Golf Open, presented by Toyota of Brookfield

Brookfield, WI – February 29, 2024 – The Elmbrook Education Foundation (EEF) will host the 10th Annual EEF Golf Open, presented by Toyota of Brookfield, on Tuesday, June 11th at Ironwood Golf Course in Sussex, WI. Join us for a day of golf, on-course games, silent auction, raffle, food, drinks and more to support the LAUNCH Program in our Elmbrook High Schools.

“I’m excited for this year’s golf outing. It is a living example of community and networking as we continue to accelerate our industry-educator collaboration within LAUNCH. The program continues to generate student interest at extremely high levels. The outing is an excellent way to celebrate the great work of 2023-24,” said Dr. Bob Hall, Director of LAUNCH.

This year, a team of LAUNCH students will again partner with the EEF to plan this event. Last year we saw record numbers of golfers, donors, sponsors and dollars raised. Proceeds from this event go to LAUNCH. Sponsorship and donation opportunities are available at <https://EEFGO24.givesmart.com>.

Stephanie Huff, EEF Golf Open Chair said, “Tee up for the 10th Annual EEFGO! It’s time to swing into action to support the impactful LAUNCH program which drives opportunities for our students to expand their profession-based learning to benefit local communities. It’s going to be a fun day filled with golf, games, food and more. On behalf of the EEFGO planning committee, we are grateful for your support and look fore-ward to seeing you on June 11th!”

EEF was organized in 1958 to award scholarships to select Brookfield High School graduates. In 1999, the Foundation’s mission expanded to include teacher grants for innovative projects that benefit all students and raise money to support and strengthen outstanding learning ideas that improve the overall educational quality of our public schools. EEF has awarded over \$1,600,000 in scholarships and over \$625,000 in grants which enhance and extend the established curriculum and support projects that are beyond the district’s budget.
