Brookfield, Wis. – [North Shore Bank](#) today announced the opening date for a new, full-service [Oak Creek branch](#) located at 200 W. Drexel Ave. The new office will open on Monday, March 4, 2024.

The easy to access new branch across from Drexel Town Square will have individualized financial assistance with private offices, a larger lobby space, and [video tellers](#) to provide assistance during extended service hours seven days a week.

“We’re thrilled to welcome customers to our brand-new Oak Creek branch. Our larger, newer space that now offer video teller service, coupled with the vibrant Drexel Town Square area, makes the branch a desirable space for customers, employees, and community members alike,” said Susan T. Doyle, senior vice president of retail banking at North Shore Bank.

The existing Oak Creek branch, located at 8701 S. Howell Ave., will close on Friday, March 1, with the bank working directly with customers to assist in the transition. Video teller service will be available at the new branch on Drexel Ave. starting Saturday, March 2 for customers to access accounts and conduct transactions.

Employees will be transferred to the new location with Heather Somers serving as manager of the new location. Somers, a resident of Oak Creek, has been with North Shore Bank since spring of 2022, first serving as Branch Manager of its North End office in Milwaukee prior to leading the team in Oak Creek. Somers is an active member of her community where she serves as the Cedar Hills Elementary School PTO Treasurer and Wolf Den Leader and Assistant Cub Master for Cub Scout Pack 316.

“As a community bank, we are continually looking to find new and better ways to service our communities at state-of-the-art branches in new and existing locations,” added Doyle. “We recognize the importance of providing easier and updated ways for our customers to bank and the importance of reinvesting in the communities where we live and work.”
