# New Packers Community Mural Bringing Fans Together to Create New Art For 2024-25 Season

**Green Bay, WI.** (September 14, 2024) – The co-founder and of the **Packer Fence** in 2014 has begun a new journey bringing fans together to create a community mural on Lombardi Avenue for a second year in a row. **Zane Statz** has been painting the Packers Fence since its inception in 2014, creating and painting yearly murals for fans each season. ZANE is now looking for the community to assist in painting the second year of his new mural located down the street from The Packers Fence called the **Packers Community Mural**.

ZANE, local Green Bay artist, will paint all the outline shapes for the mural and will look for community volunteers to come out and help fill in the paint-by-numbers style shapes on September 14, 2024. All ages are welcome to join and no sign-up is needed to participate. Community painting will commence from 10am to 5pm on that Saturday.

This year's installation will be made possible by ZANE, funding all of the costs needed to make this project a reality. Community members are not asked to pay anything to paint or sign up ahead of time. Just show up and help paint the 70ft by 6ft mural!

Last year's project was painted by around 200 fans and community members in around 2 hours. The mural this year will have more areas to paint and should take longer to finish. But it all will depending on the community turnout.

I am looking for your help in getting the word out to the community to show up. This is a great addition to the community and I would like to make this as big of a success as possible.
