Bank Five Nine donates to Annabelle Acres

Oconomowoc, Wis. – Bank Five Nine happily donated \$1,000 to Annabelle Acres in Oconomowoc.

The mission of Annabelle Acres is to provide a healthy environment for Labrador Retrievers before adoption. During their stay in the facility's 6-acre country setting, the labs receive quality medical care, vigorous exercise, premium nutrition, and frequent social interaction. When one of their labs is ready for adoption, they search for a family with the appropriate background and capabilities to provide a loving home. They are committed to providing the best care possible for their Labrador Retrievers.

“We at Annabelle Acres are incredibly grateful for Bank Five Nine. Their ongoing support, including a recent donation, has immersed us in joy and gratitude. We cannot thank them enough for their continued support, a cornerstone of the success of our family-owned 501(c)3 Labrador Retriever Adoption Organization. Their generosity and commitment make a significant difference for us. We are honored to consider Bank Five Nine part of our extended family at Annabelle Acres. We are so thankful for their kindness,” said Tony, Jackie, Ben, and Caroline Wedeward, Caretakers and Founders of Annabelle Acres.

“Bank Five Nine was delighted to accept the invitation to tour Annabelle Acres with owners Tony and Jackie. The wonderful work they are doing for these Labrador Retrievers, providing them with the best care needed and carrying it all the way through the process of finding them the perfect family match, is just so heartwarming. We are happy to donate to a non-profit putting the work in to ‘Make Lives Better,’” said Tim Schneider, CEO and President at Bank Five Nine.
