"The 2024 Fall Parade of Homes provides attendees with the opportunity to see an amazing range of homes. From custom homes, not often open to the public, to some of the area's top model homes," states MABA Executive Director Chad Lawler. "Combined with the variety of styles and locations, this year's Fall Parade of Homes really has something for everyone!"

Whether you are in the market to build or buy a new home, or just want to see the latest in home design trends, the Fall Parade of Homes provides the perfect opportunity to see a variety of homes at different price points and locations over the course of two weekends. A majority of the featured Parade homes are custom homes and open exclusively during the Fall Parade of Homes!
