NEW Manufacturing Alliance Partners with TEDCOR on NEW Oconto County Videos

The Northeast Wisconsin (NEW) Manufacturing Alliance partners with Tourism & Economic Development Corporation for the Oconto Region (TEDCOR) on videos featuring what is made and careers in Oconto county.

Ann Franz, executive director for the organization stated, "So many people drive past these companies and have no idea all the amazing products and people that work at these manufacturing companies.'

The companies that are featured in the Oconto County video are: Amphenol Unlimited Services, Cruisers Yachts, Diversified Woodcrafts, Nercon and Nicolet Plastics. The products made are numerous from yachts to science lab tables. To view the video on What is Made in Oconto county:
