Cherian Portz Joins ProjectWise Consulting as Senior Principal Consultant

[Wausau, WI - February 12, 2025] – ProjectWise Consulting is pleased to announce that **Cherian Portz** has joined the firm as Senior Principal Consultant. With over 30 years of experience, including more than a decade leading an Enterprise Project Management Office, Cherian specializes in driving system-wide programs and spearheading complex merger, acquisition and divestiture initiatives and Leadership Coaching.

She excels in licensing, regulation, asset management, marketing, and communications, using market research and performance analysis to develop strategies that deliver measurable impact. Cherian is also dedicated to fostering high-performing teams by incorporating International Coaching Federation (ICF) standards.

“We are excited to welcome Cherian to our team,” said Jodie Gardner, VP & Founder ProjectWise Consulting. “Her expertise will be invaluable as we continue to deliver innovative solutions to our clients.”
