Oshkosh Area School District Honors Trina Woldt with the Spirit of Education Award

OSHKOSH (March 12, 2025) — Trina Woldt, Director of Leadership Oshkosh at the Oshkosh Chamber, was honored with the 2025 Spirit of Education Award presented by the Oshkosh Area School District. This award is presented to an individual or team who demonstrates exceptional service to both the school district and the local community, showcases a passion for learning, and serves as a role model for fostering meaningful school-community partnerships.

Trina was recognized for her outstanding efforts in reinstating and leading Oshkosh Chamber's Youth Leadership Oshkosh program (YLO), a program that provides youth with the opportunity to build leadership skills, engage with their community, and inspire others to make a positive impact. By breathing new life into YLO, Trina has exemplified the true spirit of partnership in education, creating a program that connects young people with mentors, school staff, and community leaders.

In addition to her work with Oshkosh Chamber's Youth Leadership Oshkosh program, Trina has made significant contributions to the education sector through her involvement with Oshkosh Chamber's Leadership Oshkosh program, the adult leadership program. This initiative has helped foster professional development, community involvement, and collaborative learning across Oshkosh. Trina's deep commitment to education is further demonstrated by active participation in community events that support educational programs at all levels, from early childhood education to adult learning.
