2025 BILL

1 **AN ACT** *to create* 632.895 (14m) of the statutes; **relating to:** coverage of
2 maternity and newborn care under health insurance policies and plans and
3 granting rule-making authority.

Analysis by the Legislative Reference Bureau

This bill requires certain health insurance policies, referred to in the bill as disability insurance policies, and governmental self-insured health plans to cover the essential health benefit of maternity and newborn care, as specified by the commissioner of insurance by rule. The bill specifies a list of requirements that the commissioner must follow when establishing the maternity and newborn care benefit, including certain limitations on cost sharing. If the maternity or newborn care benefit specified by the commissioner is also subject to its own mandated coverage requirement under current law, the bill requires the disability insurance policy or self-insured health plan to provide coverage under whichever requirement provides the insured or plan participant with more comprehensive coverage.

This proposal may contain a health insurance mandate requiring a social and financial impact report under s. 601.423, stats.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

BILL**SECTION 1**

1 **SECTION 1.** 632.895 (14m) of the statutes is created to read:

2 632.895 (**14m**) MATERNITY AND NEWBORN CARE; ESSENTIAL HEALTH BENEFIT.

3 (a) In this subsection, “self-insured health plan” has the meaning given in s. 632.85
4 (1) (c).

5 (b) On a date specified by the commissioner, by rule, every disability

7 shall provide coverage for the essential health benefit of maternity and newborn

9 rule, subject to par. (c).

10 (c) In determining the scope of maternity and newborn care benefits for which
11 coverage is required under par. (b), the commissioner shall do all of the following:

12 1. Conduct a survey of employer-sponsored coverage to determine maternity
13 and newborn care benefits typically covered by employers and ensure that the scope
14 of benefits for which coverage is required under this subsection is equal to the scope
15 of benefits covered under a typical disability insurance policy offered by an
16 employer to its employees.

17 2. Ensure that the maternity and newborn care benefit is provided with no or
18 limited cost-sharing requirements.

19 3. Require that disability insurance policies and self-insured health plans do
