## WOMEN'S FUND OF DOOR COUNTY'S SPRING COMMUNITY GRANT APPLICATIONS DUE MARCH 23

Sturgeon Bay, WIS., March 4, 2026— The Women's Fund of Door County, a component fund of the Door County Community Foundation, is now accepting applications for its spring Community Grants program.

Grants are given to organizations and programs that seek to address the needs of local women and girls by providing education and information; building self-esteem and dignity; and supporting solutions to critical issues.

"The Women's Fund of Door County's Community Grants program allows local nonprofits to prioritize programing directly supporting women and girls," explains Abby Grommet, board of advisor member.

Last year the Women's Fund of Door County provided Community Grants for a variety of projects including:

- We Are HOPE's Technology and Coaching Support Program, which addressed barriers to technology and offered coaching support for women's personal and professional development.
- Active Seniors Options' "HomeFit Education Series," a program that offered workshops to address the need for safe, accessible housing for older adults, especially older females.
- HELP of Door County's Basic Needs Assistance, providing funding for items, such as emergency grocery support, emergency transportation support, clothing, and gift cards for hygiene and household needs, to women escaping dangerous relationships.

- Big Brothers, Big Sisters of Northeast Wisconsin's Youth Mentoring of Girls Program, which provides one-on-one mentoring using well-researched, high-impact support interventions.

Grant application information, including how to apply, can be found at <https://womensfunddoorcounty.org/grants/>. Grant applications are due on March 23.
