With bays available 24/7, The Back Nine Golf offers players access to the top courses in the world, rain or shine. Public tee times are available for \$60 per hour with up to two guests free, and anyone can book a free 30-minute demo to experience the technology first-hand.

Golfers looking to take their game to the next level can also join as Founding Members—special “Discounts for Life” are still available for a limited time.

Owners Matthias and Ashley, along with their family, have proudly called Hudson home for the past decade and are thrilled to bring this new indoor golf experience to the downtown small business community.

“We wanted to create a year-round golf destination for everyone—from beginners to advanced golfers—right here in the heart of Hudson,” said Matthias. “It’s about bringing people together to play, practice, and have fun.”

“We are excited to do this as a family and create a stronger relationship with the local business network and downtown Hudson community!” said Ashley.
