Flavor Takes the Spotlight: Street Eats @ the KIN Plaza Brings Local Bites to the Heart of the Community

Kenosha WI, 05/5/2026 — Get your taste buds ready, because the KIN Plaza is about to become the ultimate mid-week destination. We are thrilled to announce the launch of **Street Eats @ the KIN Plaza**, a vibrant new culinary series that turns our space into a bustling, open-air food truck festival.

Starting **Wednesday, May 13**, and continuing every second Wednesday through September, we invite the entire community to pull up a chair, soak in the urban energy, and sample the best mobile kitchens our region has to offer. Whether you're looking for a quick lunch break upgrade, a fun family dinner, or just a reason to get out and connect with neighbors, this is the place to be.

"At KIN, we've always believed that great spaces are built on shared experiences," says Kelly Armstrong. "Street Eats is our way of inviting the community to enjoy the plaza in a whole new way with great local food, and that unmistakable KIN energy."

From gourmet tacos, backyard BBQ to sweet treats that hit the spot, our rotating lineup of vendors guarantees there is always something new to discover. We're turning ordinary Wednesdays into a celebration of local flavor, local entrepreneurs, and the vibrant culture that makes our neighborhood shine.

First round of vendors featuring: The Sipster, Trini's Ice Cream Shoppe, Grandma's Cookie Cottage, Capt. Mike's Galley, Taste Bud's Chicken & Barbeque, and DeLa Rosa's Taqueria.

Mark your calendars:

- **When:** Look for Street Eats @ The KIN Plaza, once a month on Wednesdays
- **Time:** 11:00 AM – 2:00 PM for lunch
- **Where:** KIN Plaza (5522 26th Ave, Kenosha)

Come hungry, bring your friends, and let's make these Wednesdays the highlight of your month. For a sneak peek at the vendor lineups and updates, follow us on

We can't wait to see you at the Plaza!

About the Kenosha Innovation Center (KIC)

The Kenosha Innovation Center is a flagship facility within the Kenosha Innovation Neighborhood focused on entrepreneurship, innovation, and community-driven economic development. The Center provides founders with workspace, mentorship, programming, and pathways to growth—supporting the next generation of startups in the region.

About the Kenosha Innovation Neighborhood

The Kenosha Innovation Neighborhood, Inc., is a non-profit organization led by a volunteer board of directors composed of local and regional leaders dedicated to fostering economic recovery, improving economic sustainability and resiliency, and ensuring equitable community access to prosperity through the development of the Kenosha Innovation Neighborhood (KIN).

The KIN is the revitalization and transformation of 107 acres of vacant land in the heart of Kenosha as a collaborative, mixed-use project that is bringing the community together to define and deliver a regional destination with sustainable, innovation-focused office, medical, educational, commercial, and residential space that meets the unique needs of neighbors, the broader Kenosha community, visitors, and end-users.
