Thrive Senior Solutions Selected as Transportation Partner for Honey Creek Heights Senior Living

WAUWATOSA, Wis. — Thrive Senior Solutions LLC is proud to announce its selection as the transportation partner for Honey Creek Heights Senior Living, providing dependable, professional transportation services that help residents safely access medical appointments, therapy visits, pharmacy services, and other essential destinations.

The partnership reflects a shared commitment to supporting older adults through compassionate service, dependable transportation, and personalized care. By working together, Thrive Senior Solutions and Honey Creek Heights are helping residents maintain their independence while ensuring they have reliable access to the healthcare services and community resources they depend on.

"Our mission has always been to support independence through every stage of aging," said Kimberly McGowan, Founder and CEO of Thrive Senior Solutions. "We are honored to have been selected by Honey Creek Heights as their transportation partner. This relationship represents more than providing rides—it reflects a shared commitment to dignity, reliability, and delivering an exceptional experience for every resident we serve."

Thrive Senior Solutions specializes in professional non-emergency transportation designed specifically for older adults. Every trip is centered on safety, punctuality, responsive communication, and personalized service, allowing residents and their families to feel confident that their transportation needs are handled with professionalism and care.

Honey Creek Heights is committed to creating a welcoming environment where residents can enjoy quality care, meaningful connections, and the support needed to live as independently as possible. Together, the organizations are strengthening access to essential services while helping older adults remain active, engaged, and connected to their communities.
